DETAILED ACTION

Response to Amendment

In view of the amendment filed on June 30, 2005, the prior rejection of claims under 35 USC 102(b) is hereby withdrawn.

Claims 1-32 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record including Yuan et al though teaches slip elements having inserts which are drillable and resistant to chipping, the prior art however at least fails to teach or suggest the slip member having at least one insert being made of ceramic material and another being mad of a metallic/ceramic material or one being less susceptible to chipping while another being more millable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frank S. Tsay whose telephone number is (571) 272-7038. The examiner can normally be reached on Monday thru Friday, 7:30am-5:00 pm, 2nd Friday off.
